Ref. No. CS/2026-27/C-30
Date: June 15, 2026
File: Circular to Parents 2026-27

Subject: Prohibition on Sharing Food and Edible Items in Classrooms.

Dear Parents and Students,

This is to inform all students that sharing food, snacks, beverages, chocolates, or any other edible items among students within the school premises is strictly prohibited.

While the school encourages friendship and caring among students, the sharing of food may lead to health concerns, including allergies, food intolerance, contamination, or other unforeseen medical issues. Therefore, students are advised to consume only the food brought by them or provided by their parents/guardians.

Parents are requested to counsel their children accordingly and ensure compliance with this instruction.

Please note that the School Management shall not be held responsible for any health issues, allergic reactions, or other consequences arising from the sharing or consumption of food and edible items among students.

Your cooperation in this matter is highly appreciated.

Let's walk an extra mile with Compassion & Competence..!

Thanking you,

Fr. Jinosh V. Mathew, CMI
