CIRCULAR

Ref No: CS-AC/2026-27/34
Date: June 17, 2026
File: Circular to Parents 2026-27

Subject: Response to the concerns raised during the PTM on 13th June 2026.

I would like to express my sincere gratitude to all the parents and students who attended and actively participated in the Parents Teacher Meeting (PTM). As rightly stated in the *National Curriculum Framework for School Education 2023*, "Parents Teacher Meetings should not be primarily about telling parents the issues and challenges being faced with their children, but about sharing what their children are learning and the efforts being made by the school" (NCF-SE 2023, Section 2.2.2, p. 568). Please find below the Class-wise parent queries and responses:

Grade V-A

Parent of **Mohammed Rayyan**

Concern: Transport inconvenience.

Response: At present, it is not possible to extend the transport route, as doing so would adversely affect the reporting time and the overall bus schedule.

Parent of **Zahra Noufalluddin H**

Suggestion: To have the morning short break earlier.

Response: As the timetable for the current academic year has already been finalized, it may not be possible to make changes at this stage. However, the suggestion will be considered while planning the timetable for the next academic year.

Concern: Parents requested follow-up activities related to reading and library books.

Response: To encourage reading comprehension and reflection, students are required to write a book review after reading their library books.

Concern: Reduce screen time in school.

Response: Digital resources are used only when necessary to support and enhance classroom learning. The school ensures a balanced approach by combining technology-based learning with regular classroom activities, discussions, written work, and hands-on experiences.

Grade V-C

Parent of **Drishan Singh**

Suggestion: Heavy school bags and exclusion of Value Education, General Knowledge, and Art examinations from evaluation.

Response: The Value Education textbook need not be carried daily; students are required to bring only a slim notebook once a week. Art materials will be stored in the classroom, and there is no need to carry art files daily.

Regarding heavy school bags, the class teacher will ensure that students carry books according to the timetable. Random bag checks will also be conducted to ensure that only the required books are brought to school.

Grade V-D

Parent of **S Dhanshika**

Queries / Suggestions:

a. Conduct physical and sports activities on Saturdays & Sundays.
b. Introduce art, music, and other co-curricular activities on Saturdays.
c. Organize training programmes for competitive examinations.
d. Difficulty in obtaining an appointment with the Principal.
e. Clarification regarding the maintenance of the Daily Diary.

Response: Principal clarified that conducting sports activities on Sundays is not possible, as it is a Shabbat Day for the management. The other suggestions require discussion and approval from the school administration. Regarding the Daily Diary, it is not mandatory to maintain it. For appointments with the Principal, parents are requested to refer to **Circular No. CS/2026-27/C-10 dated 30 May 2026.**

Grade VI-B

Parent of **A Kadeem Subaan**

Suggestion: To have a cafeteria in the school, as the child leaves home at 6:50 a.m. and does not have sufficient time for breakfast.

Response: The suggestion will be placed before the next Governing Body Meeting of the Christ Educational Society, and the decision will be communicated accordingly.

Grade VI-C

Parent of **Mohammed Zahid**

Suggestion: To include all students, including those in higher grades, in the Annual Day programme.

Response: The school values student participation and will consider this suggestion while planning future programmes. Every effort will be made to provide opportunities for all students to showcase their talents, subject to parental consent and the completion of assigned academic responsibilities.

Grade VI-D

Parent of **R Gandharv**

Suggestion: To monitor students' sitting and walking postures and the usage of language in the classroom.

Response: Teachers will continue to guide and monitor students regarding proper posture and appropriate language usage to support their overall development. Medical professionals shall also be invited to create awareness and educate students on these aspects.

We sincerely thank all parents for their presence, active participation, and valuable constructive feedback.

Let us walk an extra mile with Compassion and Competence..!

Thanking you,

Fr. Jinosh V. Mathew, CMI
Principal
