Date: June 17, 2026
File: Circular to Parents 2026-27

Subject: Response to the concerns raised during the PTM on 13th June 2026.

I would like to express my sincere gratitude to all the parents and students who attended and actively participated in the Parents Teacher Meeting (PTM). As rightly stated in the *National Curriculum Framework for School Education 2023*, "Parents Teacher Meetings should not be primarily about telling parents the issues and challenges being faced with their children, but about sharing what their children are learning and the efforts being made by the school" (NCF-SE 2023, Section 2.2.2, p. 568). Please find below the Class-wise parent queries and responses:
