Instructions for Students – Registration and Quiz Guidelines

Students must register themselves on the WWGC Quiz Platform.

During registration, students may provide either an active email ID or a mobile number to receive the OTP.

Students must ensure that the email ID or mobile number provided is correct, active, and accessible.

If an email ID is provided, students should check their Inbox for the OTP. If the OTP is not received, they should also check the Spam/Junk folder.

If a mobile number is provided, the OTP will be sent via SMS/text message.

Students must enter the following Unique School Code during registration:

"WWGC26-XVWHZ3P"

Students must accurately enter their:

- Email ID or Phone Number for OTP authentication
- Class
- Roll Number
- Unique School Code

Once registered, students can click on the "Play" button to begin the quizzes.

The Classroom Challenge consists of four quizzes, each containing 15 Multiple Choice Questions (MCQs).

Each quiz has a time limit of 8 minutes.

Each student is allowed only one attempt per quiz.

Students must complete the quizzes in sequence. The next quiz will be unlocked only after the previous quiz has been completed and submitted.

All four quizzes must be completed for a student to be eligible for consideration in the State-Level Round.

Students do not have to complete all four quizzes in one sitting. They may attempt them at any time that is convenient for them, provided they complete them within the Challenge Window.

Qualification will be based on the cumulative score across all four quizzes. In case of a tie, the cumulative time taken to complete all four quizzes will be used as the tiebreaker.

Students should ensure that they have a stable internet connection before starting a quiz.

Students must remain on the quiz page throughout the quiz. Switching tabs, opening another browser, or minimising the quiz window will result in a warning.

Students are allowed a maximum of three warnings. If the student receives a third warning, the quiz will be automatically submitted, and the attempt will end.

Once a quiz is submitted, the attempt is final and cannot be retaken or edited.

The use of unfair means, AI tools, or any violation of the quiz rules will result in disqualification.

The top two students from each participating school will qualify for the State-Level Round, based on their cumulative performance across all four quizzes.

Students can track their progress through the Student Dashboard.

Important note to Parents and Students

Parents are requested to encourage their ward to participate in the Wild Wisdom Global Challenge 2026 and complete all four quizzes within the specified Challenge Window.

Students are advised to carefully read and follow all the instructions before attempting the quizzes and to ensure that they have a stable internet connection while participating.

We wish all our students the very best and encourage them to participate enthusiastically in this exciting opportunity to enhance their knowledge of wildlife, nature, and the environment.

Let us walk an extra mile with Compassion and Competence..!

Thanking you,

Fr Jinosh V Mathew CMI
Principal
