Subject: Students' Health and Safety during Rainy Season.

Dear Parents & Students,

Greetings from Christ School….!

As the rainy season continues, and considering the increased incidence of influenza and other seasonal illnesses, we request you to take necessary precautions to ensure the health and safety of your ward.

Students are advised to **carry an umbrella or raincoat to school every day** and use it while commuting to and from school. Parents are also requested to ensure that their ward comes to school adequately protected from the rain.

We appreciate your cooperation and support in safeguarding the well-being of our students.

Let us walk an extra mile with Compassion and Competence..!

Thanking you,

Fr Jinosh V Mathew CMI
