Subject: Thank You for Your Active Participation in the PTM

Dear Parents and Students of Grades I and II,

I would like to express my sincere gratitude to all the parents and students who attended and actively participated in today's Parents Teacher Meeting (PTM). As rightly stated in the National Curriculum Framework for School Education 2023, "Parents Teacher Meetings should not be primarily about telling parents the issues and challenges being faced with their children, but about sharing what their children are learning and **the efforts being made by the school**" (NCF-SE 2023, Section 2.2.2, p. 568).

It was in this spirit that today's meeting was conducted. Your presence, attentiveness, and positive engagement made the interaction meaningful and productive. The active involvement of parents and students in the educational process is a vital factor in ensuring academic success, character formation, and holistic development.

Thank you for your time and support in understanding the academic expectations and plans for the Academic Year 2026–27. Your continued cooperation strengthens the partnership between home and school. Together, with the dedicated efforts of our teachers and students, we look forward to a fruitful and successful academic year.

Let us walk an extra mile with Compassion and Competence..!

Thanking you,

Fr. Jinosh V. Mathew, CMI
Principal
