## Intel AI Global Impact Festival 2023

In accordance with the notification received from CBSE ministry of education Government of India all CBSE schools are requested to participate in “Intel AI Global Impact Festival 2023”.

This Digital Readiness celebration bridges the gap between innovation and education, offering a bounty of learning avenues for both students and educators.

We at CHRIST SCHOOL CBSE would like all our students from Grade I-IX to take part in this festival by attending the online session which will be conducted from **16-09-2023** to **20-09-2023**.

Kindly open the below attached link to participate:
