Affl. No. 831274 ; School Code : 46907

Date :20/01/2024

Circular No : CST/CBSE/2023-24/33

Exciting Opportunity for Aspiring Young Innovators.

Dear Students,

This is to inform you that a ground-breaking initiative in collaboration with the Outlook Magazine, Eliot Innovations, ICARE, and The Global Academic Forum. This contest is an extraordinary opportunity for school students to develop AI-driven solutions for the United Nations Sustainable Development Goals (SDGs). We at CHRIST SCHOOL CBSE would like all our students from Grade VIII to IX to take part in this online session.

Highlights:

- 👉 Apply AI to solve real-world problems aligned with the UN SDGs.
- 👉 Develop students' innovation and problem-solving skills.
- 👉 Winners receive prizes, feature their school and project in the Outlook Magazines, and more.

Why Should Your School Participate?

- 👉 Propel your school to the forefront of innovation and technological education.
- 👉 Engage students in impactful, real-world problem-solving.
- 👉 Celebrate and nurture your students' potential as future AI experts.

More Details:

https://youtu.be/FI6jgkY_Lts

Take Action:

- 👉 Encourage your students to demonstrate their innovative capabilities and contribute towards a technologically empowered future.

Submission Deadline:

- 👉 January 31, 2024
